1.30pm: CCA
350 Sauchiehall Street

Told through the eyes of three Afghan women: a doctor, teacher and human rights activist, this film is the story of how war, international interference and the rise of political Islam has stripped Afghan women of their rights and freedom.

Combined with rarely seen archival footage, these powerful stories provide illuminating context for Afghanistan's current situation and the ongoing battle women face to gain even basic human rights.

Director/ producer/ writer : Meena Nanji (82 minutes)
